

"Sense8" Season 1: Ep. 6 Demons (RILEY and SUN #2)

FADE IN: EXTERIOR AND INTERIOR: SUNRISE IN LONDON AND JAIL CELL
IN SOUTH KOREA

SUN is in her prison cell in South Korea and RILEY is looking
at the sunrise from a park bench in London. Throughout the scene
they move back and forth into each other's reality.

SUN

So we are both in trouble because of
someone else's crime.

RILEY

I knew Jax was no good.

SUN

I knew what Jin was doing. Why are we
here?

RILEY

Have you heard of the hidden people?

SUN shakes her head no.

RILEY (CONT'D)

In Iceland. There are small people.
Like elves. Who live in the land. When
I was young, I went into a cave and
heard one singing. She was singing the
song my mother used to sing to me when
I was young. It's quite a terrible song
about a mother who had to kill her
baby. But I always found it
comforting. I heard her voice several
times over the years. She told me I was
born with a hex. And that if I stayed
in Iceland bad things would happen to
me and to the people that I loved.

(PAUSE)

And then my mother died. And I believed
it was my fault.

SUN

My mother died when I was young, too.
I had no voice telling me that I was
hexed. But I still believed somehow it
was my fault.

RILEY

God. I want to go home. I want to see
my father.

SUN
You should go.

RILEY
But I'm afraid.

SUN
Don't be. Right now you're safer there
than where you are.

RILEY nods.

SUN (CONT'D)
Tomorrow I go to prison.

RILEY
Are you afraid?

SUN nods.

RILEY (CONT'D)
Don't be.

SUN
Why?

RILEY
Because you're safer there than where
you were.
