

"Master of None" Season 1: Ep. 1 Plan B (DEV and RACHEL)

FADE IN: DEV and RACHEL are having sex for the first time and the condom breaks.

DEV
Oh, fuckfuckfuckfuck!

RACHEL
What?! What? What happened?

DEV
Aw, the condom broke.

RACHEL
Oh, ok. Do you have an extra one? Go ahead and put it on. Hurry.

DEV
Um, yea, I do. But, like, I was all up in there. Are you on birth control and stuff?

RACHEL
No, um, but you didn't finish, right? It's fine.

DEV
Yea, but, like, there's those, there's little guys that come out before the big party. You know. Should we maybe get a pill to be safe?

RACHEL
Little guys? Do you mean pre-cum? No, no, you can't get pregnant from pre-cum.

DEV
Ah, I got a buddy. This guy, Donald. Him and his girlfriend were having sex, the same situation, and she got pregnant. Now they got a kid. His name's Samson.

RACHEL
No. That seems anecdotal.

DEV
Uh-uhn. I know this guy. He's a friend of mine.

RACHEL
That's what anecdotal means.

RACHEL (CONT'D)

You take one example and you apply to everything else.

DEV

Oh. Well, then that's anecdotal.

RACHEL

Yeah.

DEV

I was confusing it with urban legend. Um, anyway, how 'bout this...I got an idea. Let's just google it now. Just for peace of mind.

RACHEL

Ok, peace of mind, ok. Yea, ok.

DEV

Yea.

RACHEL and DEV grab their phones and start googling.

DEV (CONT'D)

All right. Ummmm...

RACHEL

Ok. Right here. Pre-cum does not contain sperm.

DEV

Ok. Ummmm. I'm on this other site and it says, yes, pre-ejaculate fluid itself does not contain sperm. As the pre-ejaculate leaves the body, however, it may pick up sperm from a previous ejaculation that remains in the urethra. So like these other guys are just hanging out and they just hitch a ride.

RACHEL

Well, but when's the last time you ejaculated.

DEV

Mmmmm. Earlier tonight.

RACHEL

Waitt? At the bar?

DEV

No! Not at the bar. At my house. Like, here. Here. Like, you know, before you go out-

RACHEL

-Nononono, I get it, I get it-

DEV

-You're like super excited for the situation-

RACHEL

-I get it, I get it! Oh, damn it. Those little guys. They might be in me. I wanna get the pill.

DEV

All right, um. Well, should I call an Uber?

RACHEL

Yea, yea.

RACHEL starts getting dressed.

DEV

Um, there's an UberX that's like 3 minutes away. And an Uber Black that's like 15 minutes away. Should just get the UberX?

RACHEL

Yea.

DEV

Ok. Yea, I just didn't want you to think I was being stingy with the Ubers.

RACHEL

Ok. That's fine.

DEV

All right. So. Kingston will be here in 3 minutes.
