

American Horror Story Coven S3 E3

Marie

You want a coca cola?

Cordelia

No thank you. Thank you for seeing me right away. I've heard about you since I was a child ...Full disclosure, I'm from...

Marie

Darling, I know who you are

Cordelia

Okay. So tell me about your fertility spell

Marie

Don't know nothing about that.

Cordelia

Marie, if you know who I am, then you know I am well aware of the pouchant medicine.

Marie

Hmm than you know that spell ain't no picnic for anyone involved

On the day of, you bring us two ounces of your husband's baby gravy in a mason jar

We use a guinea pepper, hotter than hades

When the gods see this willingness to suffer, to sacrifice, they pay attention

When it's over I sleep for four days and four nights

Cordelia

How soon can we do it?

Marie

Got to be a new moon and 50000 in cash upfront

Cordelia

Jesus

Marie

We have a 100 percent success rate

Cordelia

I'll find it somehow borrow it rob a bank when's the new moon

Marie

(Laughs) Ain't gonna do no pouchant medicine on you. Not for 50,000 not for 100,000. You were born into the wrong tribe. You the daughter of my sworn enemy.

Cordelia

Fiona has got nothing to do with me. She has no idea I came to see you

Marie

Hmm

Cordelia

You are my one real shot at this point.

Marie

Too late for tears. Damage is done Waltzing in here like she the queen of England. Talking about hammer and nails looking to start a war.

Cordelia

Fiona was here?

Marie

She done messed with the wrong witch and she knows it and now you know it
