

NEW WARDEN

TATTOOED GHOST
It looks like a penis with a fan on
it.

KEVIN PACALIOGLU
You obviously don't see a lot of
penises.
(gives in)
I'll add a door.

Pac adds a crooked door to the base of the windmill.

TATTOOED GHOST
Oh yeah. Now I see it. It's
different. I like it.

KEVIN PACALIOGLU
Really? Thank you. I mean, I
usually think of myself as more of
a colorer than a drawer, but once
you lock in on a theme--

The Tattooed Ghost GOES INTO HER LIGHT -- the light hanging
over the operating table flickers and glows.

KEVIN PACALIOGLU (CONT'D)
(sarcastic, annoyed)
Oh! Was I talking too much?

WARDEN'S GHOST
Eyes on the prize, fat boy!

Pac slides into the body bag and zips it up just as ARMED
GUARDS rush in. The guards scan the space, see nothing and
head out. But as the last guard leaves, Pac SNEEZES. The
guards surround the body bag and open it to find: Pac, trying
to hide by keeping his eyes closed. One eye opens...

KEVIN PACALIOGLU
I'm alive? I'm alive!

Pac jumps up excited and is immediately tackled by guards.

309-29 INT. PRISON - WARDEN'S OFFICE - DAY

309-29

Pac sits across from the NEW Warden (40's, sturdy but kind).

START

NEW WARDEN
I just want to say sorry for the
mix-up. We have no record of your
arrest or why you're here, so we
are legally required to let you go.
(MORE)

NEW WARDEN (CONT'D)

But the good news is this little
snafu has ruffled enough feathers
that we're finally gonna get the
funding we need to ensure a safe
and secure prison moving forward.

The Warden's Ghost appears, gives Pac a thumbs up and then
GOES INTO HIS LIGHT -- the desk lamp flickers. The new Warden
slaps the lamp a bit to make it stop and continues:

NEW WARDEN (CONT'D)

After all if someone as unathletic
and mentally dull as yourself--

KEVIN PACALIOGLU

I don't really need a whole
explanation. I just wanna get paid
and go home.

NEW WARDEN

Unfortunately there's no money for
that in the new budget but let me
be the first to say: thank you for
your service, and have a great day.

END

The new Warden smiles and offers Pac a handshake.

END OF ACT THREE
