

LACIE

In this world were also caught up  
in our own heads

It's easy to lose sight of what's  
real, what matters

But as I stand here today seeing  
the joy, Paul has brought to  
Naomi's life

I know she's someone who truly  
matters to me

Nay-nay the little girl, who when  
were just five years old in art  
camp started talking to me

Because she saw I was scared

The girl who helped me make Mr.  
Rags. I still have him.

He sits on my desk and everyday he  
reminds me of Nay-Nay

What she meant to me then and now

I am so honored to be here and I  
wish you all the happiness this  
stupid world can muster

I love you Nay-nay. Is the tear too  
much?

RYAN

You fucking sociopath

LACIE

Ryan, my cars here, was it too much

RYAN

What? The tear, the photo, Mr.  
Rags...

LACIE

I do keep him on my desk

RYAN

There's sugary and then there's  
fucking diabetes

RYAN

LACIE

Yes! And if you cared about that maybe you would have noticed living with you hasn't been one big rainbow sandwich for me. Do you know why I never brought any guys back here? Because I didn't want them to know I was sharing a skanky ass cave with Mr. Three Point Fuck.

RYAN

Good Luck with your performance.
