

**Grey's Anatomy**

Season 12 Episode 5 (Whose coming to dinner)

**Jo**

I shouldn't have ratted you out to shepherd. I over heard Webber and her talking. I know that you weren't lying. I am really sorry.

**Stephanie**

It's okay. I get it. I'm sorry it happened, too.

**Jo**

So... Alex is ignoring me.

**Stephanie**

I know-- Jerk.

**Jo**

Jerk. Oh, God.

**Stephanie**

Just ditch him. I'll give you a ride.

**Jo**

Honestly I don't even think he would notice.

**Stephanie**

No.

**Jo**

No. Oh, God

**Stephanie**

I'm glade we talked. Today was... Just... today sucked. And... I don't know. I'm glade we didn't let that get in the way of our friendship.

**Jo**

I know. I know. (Beat) It makes sense now... The way that you do things. And you were sick, and I had a crappy childhood, but it made us even stronger. You know? We both had to work even harder to get to where we are. I just, I feel like I understand you more.

**Stephanie**

You understand me more because I was sick?

**Jo**

I just don't understand why you didn't tell me.

**Stephanie**

You can't even wrap your mind around it, can you? That I just might, just be better at this than you are, that I might be stronger or smarter or more savvy. You need a reason for me to have an edge up on you. You need some deep, dark secret motivating me, operating circles around you. You need an even playing field before you can be good with me. Okay. Wow. Stop trying to make us even, Jo, cause were not even. Deal with your jealousy. Deal with your shortcomings. Those are on you. Don't put your crap on me.
