

Grey's Anatomy Season 11 Episode 3

Dr. Webber

Pierce?

Pierce

Dr. Webber! Did you check in on our Impalement patient? He is doing great!

Dr. Webber

I need to tell you something. I should have told you sooner.

Pierce

Okay.

Dr. Webber

Ellis Grey and I knew each other... Very well. We had a relationship.

Pierce

Oh, My God. OH, MY God. Stop talking.

Its funny but that is the first thing I thought when we first spoke and you told me that you'd known my mother. I thought,

what if it's him? But then you never said anything and then days went by and you still never said anything, so I thought it couldn't possibly be true, because what kind of person would do something like that? Would let me sit there and talk like an idiot and never speak up? No one decent. No one honest. A coward. The only reason that you would do something like that is if you'd known about me all along and never wanted me either.

Dr. Webber

No. No, That's not true. That's not

Pierce

Why should I believe you? Why should I believe a word you say to me?!

Well, this must've been a nightmare for you, me showing up here like this. Don't worry it has been worse for me. Good night Dr. Webber.
