Wow. What are you all dressed up for? On a date? Should I be jealous. What's wrong with her now? Ha! She might be onto something. Not if she didn't take it so seriously. Plus her standards are way too high. (Wait, what the fuck? (chuckles) No. What's that suppose to mean? Uh, we're together? Are we here? - Babe. What are you talking about. Nobody's just sitting on the couch. I'm almost done with my business plan. I'm just getting my shit together. So what are you saying? You wanna break up with me? Ha/. ISSA!  
Hey ISSA!
