

Insecure: Character - ISSA

I'm taking Molly out tonight. Oh, no, she's just really upset and I want to make her feel better. She doesn't think she'll ever get married. Don't be a dick. Dating is hard. Yeah, maybe she should lower them like I did. Never mind. Just forget it. I'm sorry. It means sometimes I don't know what the fuck we're doing. Yeah, but where are we going? Is this it? Because maybe I didn't know it before, but I know it now, and I don't wanna just sit on the couch with you for the rest of my life and wait for something to happen. You've been getting your shit together for four years Lawrence. I just feel like we're wasting our time. I don't have time to waste. I'm saying maybe we should get our shit together separately and see what happens. Molly's waiting on me. I'm gonna spend the night at her house. We can talk about his tomorrow. See you later.
