**Season 1 episode 8**

**Darla**

I'm not my past mistake Miss Violet. These past 18 months I've been clean.

**Violet**

You come 18 years from now saying that, then I'll believe it.

**Darla**

You want me to wait 18 years before I get my son back?

**Violet**

Get him back? If it were up to me you wouldn't lay eyes on him.

**Darla**

I want to thank you. I never got the chance to say thank you Miss Violet. (Turns to Holiday) And I want to thank you. You saw me at my lowest point. You saw me in Hell. I didn't even want to exist anymore. Not Breathe. Not See. Not hear. Love couldn't even reach me. And you picked up my baby. Gently. I remember. And I remember you running that man out of that hotel room. And you could have yelled at me and cursed me. But I remember you covering me up and saying God bless you girl. I remember that. And when you walked out of that door, I thought Thank God. Thank God Blue will be okay. So I thank you, both of you. And I wanna make a mends. I want to pay back my debts. And Bring goodness to where I brought discord. That's all I'm trying to do, and I hope that one day you'll see fit to let me.
