

SHERLOCK visit his estranged sister EUROS in a SuperMax Prison.

EUROS

And here it comes. Remember daddy's allergy?
What was he allergic to? What would he never
let you have all those times you begged? Well, he
never let you have a dog.

(beat)

Your funny little memory Sherlock. You were upset
so you told yourself a better story. But we never had
a dog.

SHERLOCK

Victor.

EUROS

Now it's coming.

SHERLOCK

Victor Trevor. We played pirate. I was Yellow Beard and
he was...he was Red Beard.

EUROS

You were inseparable and I wanted to play too.

SHERLOCK

Oh God. What...what did you do?

EUROS

(singing)

"I that am lost, oh who will find me? Deep down below
the Ocean."

SHERLOCK

You killed him?

EUROS

Deep waters Sherlock. All your life, in all your dreams.
Deep waters.

SHERLOCK

You killed him. You killed my best friend.

EUROS

I never had a best friend. I had no one, no one, no one.

SHERLOCK S4, ESP 3

SHERLOCK

Okay, okay...let's play.
