

Molly: my mom, oh, my gosh. She was always on me.  
I remember my first year in college. I wilded out just to piss her off.

Jared: Really? I wanna hear more about this wild Molly.

Molly: Uh, no. That's okay. Nah.

Jared: What? Did you go to juvie? - You were slinging that rock?

Molly: - Shut up. No. I just did young, dumb shit.

Jared: Okay.

Molly: Like, I may or may not have slept with a college professor.

Jared: Wow! Okay. More, please.

Molly: Oh, my no. Ugh, okay. Um, all right. Also in college, I made out with a girl at a frat party.

Jared: Mm, see, I'm not mad at that.

Molly: Of course you're not.

Jared: Okay, what else?

Molly: Ugh, okay. Um, I did coke for, like, a hot second.

Jared: Mm-hmm.

Molly: And I also had my tongue pierced for, like, a month....but, wait, why am I the only one sharing? No, where's your dirt? Bring it.

Jared: Okay, um oh.  
I ran naked through a Best Western one time. I was so fucking high.

Molly: Um, please come harder, okay? Oh, okay.

Jared: I slept with my first boss. And she was married.

Molly: Oh, shit!

Jared: Mm-hmm.

Molly: The husky home-wrecker.

Jared: [chuckles] Yeah. That's what they called me.

Molly: Wow, okay. What else you got?

Jared: When I was 20, I kind of had a sexual experience like yours.

Molly: What you mean?

Jared: I messed around with a guy before.

Molly: Wait, you did what?

Jared: I mean, it was, like, a long time ago. My friend and I were at this party in New York, both super drunk. Went back to his place and then, you know, it just kind of happened.

Molly: Wh-what kind of happened?

Jared: He went down on me.

Molly: Oh, so you're, like, bi? No.

Jared: No, definitely not. I mean, I had never done anything like this before and I knew afterwards it wasn't for me.

Molly: Oh, like like, how long after, though?

Jared: Like, immediately.

Molly: Okay, like, but immediately when? And, like, was this, like, a one-time thing with this, like this one guy? Or was it, like, a one-time thing with other guys or? –

Jared: Molly, one guy, one time.

Molly: Mm-hmm.
