

QUANTICO

FADE IN:

(SI:EP1)RUN

A look at the lives of young FBI recruits training at the Quantico base in Virginia when one of them is suspected of being a sleeper terrorist. All the agents are on their first mission, in which they all have to do a polygraph test. Whomever fails or lie would be kicked out of the training program.

**SIMON ASHER**

You grew up in Georgia

**SHELBY WYATT**

I sure did... yep

**SIMON ASHER**

With your family?

**SHELBY WYATT**

Yep

**SIMON ASHER**

Are you the only child?

**SHELBY WYATT**

Yes

(The system react to her lying)

What? I have a half-sister. She's ten years older. I barely know her.

**SIMON ASHER**

What about your parents?

**SHELBY WYATT**

What about them?

**SIMON ASHER**

Are they still alive?

**SHELBY WYATT**

No... No they are not.

**SIMON ASHER**

How did they die?

**SHELBY WYATT**

That's not a yes or no question.

**SIMON ASHER**

Did they die together?

**SHELBY WYATT**

yes

**SIMON ASHER**

Were they killed

**SHELBY WYATT**

Yes. When I was 16

**SIMON ASHER**

What's the piece of metal you carry with you? Is that piece of metal part of a plane?

**SHELBY WYATT**

yes

**SIMON ASHER**

The plane your parents were on?

**SHELBY WYATT**

Yes

**SIMON ASHER**

On 9/11

**SHELBY WYATT**

That's why I am here.
