

Scream Queen Character - Grace

We're not here to make nice. You want to talk, let's talk. Wow. Oh quite an honor. No look at where being a Kappa Queen has gotten you. You put on a good front, but you're miserable. Don't you think any of that has anything to do with the fact that you've created an atmosphere based solely on negativity and raw ambition?

Chanel, why are you so awful to everyone?

Don't you see that all that's happened is a crisis?

This is an opportunity for you and for Kappa to really change. Think about how great it would be to have a real sisterhood, one that will always remember your birthday. You're pathetic.
