

Scream Queen Season 1 Episode 1

Chanel

I got you a pumpkin spice latte. They're so my jam, even though they make me obese.

Grace

We're not here to make nice. You want to talk, let's talk.

Chanel

Fine. I can't stand you. But you also remind me of a young me. So here's my compromise. I want you to be one of my minions. Grace, I want you to be Chanel #6

Grace

Wow. Uh, quite an honor.

Chanel

It is. It's the gateway to the top of the heap.

Grace

No. Look at where being a Kappa Queen has gotten you. You put on a good front, but you're miserable. Don't you think any of that has anything to do with the fact that you've created an atmosphere based solely on negativity and raw ambition?

Chanel

You say that like those are bad things.

(Grace begins to leave)

Chanel

Uh, wait. Okay, you're the only person at this school who is almost as smart as me. Can we talk for real for a second, please? I mean you're so confident without being mean. What antidepressants are you on?

Grace

Chanel, why are you so awful to everyone?

Chanel

My boyfriend compulsively cheats on me. All of my friends work for me. My parents didn't even call me on my birthday because they were too busy hosting a fundraiser for Jeb Bush.

Grace

Don't you see that all that's happened isn't a crisis? It's an opportunity, for you and for Kappa to really change. Think about how great it would be to have a real sisterhood, one that will always remember your birthday.

Chanel (Takes what's been said into consideration)

Yeah, no. I tried see, I really tried but all of this flowery, peace on earth crap. It makes me want to puke.

Grace

You're pathetic (Leaves)

Chanel

Yeah, walk away now! You haven't even seen half of what I'm capable of! Once you're on my fatwa list, I show no mercy! (To self) Totally spit in your coffee, Bitch.
